Dear Mr. O'Hara:

This is to request that Navistar International Transportation Corp. be admitted into the Illinois Pre-Notice Site Cleanup Program for its former Wisconsin Steel Works site in Chicago, Illinois.

In accordance with Section 22.2.m of the Illinois Environmental Protection Act, we are also enclosing our check for \$5,000 made payable to the Illinois Environmental Protection Agency.

Also enclosed is the "Review and Evaluation Services Agreement", executed on behalf of Navistar International Transportation Corp.

Finally, enclosed is a copy of Michael Oberlitner's October 31, 1994 letter to you, in which he confirms that Navistar has EDA's permission to enter the Pre-Notice Program prior to Navistar's full ownership of the site.

We eagerly await your response to our request, and we thank you again for your continued cooperation.

Sincerely,

Dean P. Stanley

REVIEW AND EVALUATION SERVICES AGREEMENT

In consideration for the Illinois Environmental Protection Agency's agreement to provide, subject to available resources, review and evaluation services for removal and/or remedial actions at the facility listed below, the undersigned hereby agrees to:

- (a) submit a work plan for actions at the site;
- (b) allow for or otherwise arrange a site visit or other site evaluation by the Agency;
- (c) perform the work as approved by the Agency;
- (d) pay all laboratory fees incurred by the Agency for analytical testing performed at the site; and
- (e) pay any reasonable costs incurred and documented by the Agency in providing such services within thirty (30) days after receiving the billing statement and documentation.

I understand that this service agreement may be cancelled by providing written notification to the Agency project manager. The written notification shall be effective fifteen (15) days after the Agency's receipt of the notification. I agree to provide reimbursement for all costs incurred by the Agency prior to the effective date of the cancellation of the service agreement.

I hereby certify that I have the authority to enter into this agreement.

Re: Entry of Navistar into Voluntary Cleanup Program

Dear Mr. O'Hare:

This letter is to confirm that the Economic Development Administration, the 90% beneficiary and directing beneficiary of the Wisconsin Steel Trust, has no objection to the entry of Navistar International Transportation Corp. ("Navistar") into the Illinois Voluntary Cleanup Program prior to transfer of EDA's beneficial interest in the site to Navistar. EDA will give Navistar permission to perform the emergency repair to the seawall prior to transfer of ownership; initiation of the Phase II Remedial Investigation by Navistar will begin after transfer of ownership.

If you have any questions please call Joe Ross at (202) 482-4965.

Sincerely yours,

Kenneth M. Kulovich, Acting Dir
Michael S. Oberlitner, Director,
for Liquidation Division
